CHERYL KARCHER, CLINICAL HERBALIST

FULL DISCLOSER INFORMED CONSENT FORM

HERBAL CONSULTATION

My goal is to work together with you to assist the body to attain and maintain a natural state of balance. I wish to share with you information on forms of healing. My role is an educator to provide you with information on properties and benefits of various botanicals. Our bodies easily accept and assimilate herbal remedies much as they do food. As an herbal educator/ consultant I am dedicated to sharing this information with you. I do not diagnose or prescribe for, or treat any specific illness or disease. I am not a medical doctor and do not have formal medical training. Therefore...

I understand that Cheryl Karcher is a Traditional Herbalist, registered with the American Herbalist Guild. She is certified through Winston School of Herbal Therapeutics in Washington, NJ. Cheryl is not, nor professes to be a physician. She does not use surgical techniques. All substances recommended are legally sold over- the -counter and are regulated as dietary supplements.

I understand my obligation to obtain a diagnosis/ approval from a physician in order in order to proceed with medications. Any evaluation given does not replace a medical diagnosis. I am encouraged to seek advice and evaluation from my medical doctor. Cheryl is available to discuss any of this information with my doctor.

I understand that the treatment plan I receive might include recommendations for herbs, lifestyle changes, therapeutic massage or dietary suggestions. I will not be prescribed medications by Cheryl.

I understand the above informed consent and request consultation and/ or treatment by Cheryl Karcher.
